2020 Council of Excellence Application

It’s here! [HOT TOPIC] Download your council’s copy of the 2020 Council of Excellence application online.

NAEPC considers the application to be a roadmap of best practices; things that help a council run smoothly and support a great member experience. It has been developed over many years of interaction with councils and their leaders and represents our current understanding of the practices that breed success. At the same time, the application is a reciprocal learning experience. The narrative portion gives NAEPC an opportunity to learn more about your council and what is happening within the council network.

Applications are due on or before May 15, 2020.

New Website Features & Tutorials

The NAEPC Website Solutions available to your estate planning council are easy to use, economical, and continuously enhanced. During the second half of 2019 we launched several new and often-requested features and functions:

• The ability to schedule future email and text communications
• Sponsor levels expanded from four to seven
• A “Join the Mailing List” form
• The option to print or export event RSVPs by a date range
More compact formatting for the document library
Administrative access to cancel a member renewal

[HOT TOPIC] We also hosted two tutorials in December: “Your Council’s Event Calendar: Best Practices and Maximizing its Functionality” and “Settings 101: Learning More about Your Website and its Options.” These sessions help enrolled councils maximize the functions of the website and provide an overview of best practices. The archives are available within the “News” page of the administrative hub.

Interested in learning more about the NAEPC Website Solutions or looking for guidance on use of the council’s website for issues not addressed in the first two tutorials? Contact our national office for assistance.

Sourcing Speakers and Topic Ideas to Fill Your Programming Calendar
NAEPC offers multiple resources to help your council fill its programming calendar:

"No-Charge" Speaker Program
NAEPC offers each affiliated local council one speaker or webinar each year at no charge through the "No-Charge Speaker Program." The participating speakers are either current board members of NAEPC or past presidents and will offer both a technical presentation and a bit about NAEPC with no honorarium, although the council is responsible for travel and lodging costs.

Robert G. Alexander Webinar Series
The Robert G. Alexander Webinar Series is available to councils for live or on-demand group showings. All councils can receive one complimentary webinar each calendar year as a part of the "No-Charge" Speaker Program.

Input from Other Councils
The national website offers a newly-searchable calendar of council events that includes the name of the hosting council, speaker, and topic. Your leaders are also welcome to join the NAEPC Council Leader subgroup on LinkedIn to interact with council leaders from across the country, initiate and participate in council management-specific dialogue, and to receive regular posts from NAEPC.

Online Speaker Library
The NAEPC Online Speaker Library offers a variety of presenters who have expressed an interest in speaking to your affiliated local council. Each speaker listing includes contact information, a list of topics, total presentations per year, requirements, years of experience, and a list of the speaker’s expertise.
