NEXT STEPS ·
NAEPC recommends making a plan to ensure that your council gets the maximum value out of your attendance at Council Leadership Day.

Here are some helpful next steps to get you started:

- Enjoy the reception in the Exhibit Hall
- Hear a really great idea? Schedule some time during the conference to talk to the person who shared it!
- Review your notes
- Schedule a “huddle” with others who attended with you to flush out ideas and to prepare a report / action plan for the council’s board of directors (Attend alone? Block off time within your schedule to do so!)
- Read the session notes when they are released
- Report to the entire board of directors, including recommendations for new initiatives
- Create a plan to check-in with the leaders of the other councils you met during the event post-conference
- Start planning now for next year – decide who will attend the Ft. Lauderdale conference and create a plan to share the value of the conference with your membership
