Speakers Bureau

The NAEPC Speakers Bureau lists more than 150 speakers who are available to speak to your Affiliated Local Council. Each speaker listing includes contact information, a list of topics, total presentations per year, years of experience and a list of the speaker's expertise. Please contact the speaker directly to obtain information regarding availability or fees.

For an updated list of speakers and for more detail on the speakers' area of expertise:

Log on to: <http://www.naepc.org>

Click on "Speakers Bureau"

The directory is searchable and will allow you to focus on name, topic, home state or any combination of the above.

To begin, enter your search criteria and click "Search". You will then see the specific information for all of the people that meet your criteria. If you see a limited number of options you may want to broaden your search.

Please contact the NAEPC office if you experience problems.
