SOCIAL EVENTS

Social events enhance the conference experience for attendees and provide sponsoring and exhibiting firms with an opportunity to spend time with those with whom they most align. NAEPC is interested in growing the number and type of supplemental events hosted by sponsoring and exhibiting firms during the Annual Advanced Estate Planning Strategies Conference. A group dinner at a famous local restaurant, special outings, a beach party, dancing lessons, an early riser yoga class... the options are limited only by your firm's creativity.

Firms interested in hosting a social or supplemental event during the conference should submit this form for committee consideration to conference@naepc.org no less than 30 days before the program begins. Those firms that receive approval for their event will receive an additional attendee list with email seven days before the program for the sole use of promoting their event to attendees. **This list may be used once.**
