WELCOME & SPONSORS

collaborate | educate | cultivate

Dear NAEPC Members & Friends,

As we prepare to gather in Fort Lauderdale and within our virtual community, we would like to take a moment to thank you for your membership, support, and work on behalf of the estate planning profession. Our association is as strong as our membership, and you have proven to be committed to a mission that matches ours... collaboration with other professionals, a lifelong learner, and someone who thrives on the cultivation of new and meaningful relationships.

The 60th Annual Conference and Council Leadership Conference have a new look and feel this year! We'll focus first on the educational portion of the program, which is available to anyone within the profession of estate planning, regardless of membership status within a local Estate Planning Council. Certain educational sessions will also be available virtually so please look for the icon indicating the same as you browse this brochure. Following, we'll host the Council Leadership Conference (formerly known as "Council Leadership Day") where leaders from councils around the country convene to discuss important operations and council management topics. These sessions are limited to individuals currently serving as a volunteer board member or staff executive / administrator for a local council.

We would be remiss if we did not acknowledge the generous sponsors that make it possible for NAEPC to offer this conference, some of which are shown below. Please be sure to keep these firms in mind throughout the year.

We look forward to welcoming you to the conference of choice for estate planning professionals from November 12 - 16, 2023.
